Will your bank or mortgage provider guarantee your interest rate all the way to your closing date?

You may want to check. Most lenders don't but...

We do.

RBC Royal Bank can guarantee select interest rates for up to 24 months. We also offer firm approvals, an approval that can be guaranteed to your closing date regardless of life's twists and turns. That's a lot of peace of mind and two less things to worry about while waiting for your beautiful new home.

Please call me to discuss details.
